

Information clause regarding the processing of personal data in connection with video surveillance

Pursuant to Article 13(1) and 13(2) of Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data repealing Directive 95/46/EC (General Data Protection Regulation) (OJ EU L 119, p. 1) (hereinafter referred to as "GDPR") we inform that:

1. Data Controller

The Data Controller of personal data is **DPDgroup IT Solutions sp. z o.o. with its registered office in Warsaw** (hereinafter referred to as "DPD") , address: 26 Itzecka Street, building E, 02-135, Warsaw, entered into the register of entrepreneurs of the National Court Register by the District Court for the m.st of Warsaw in Warsaw under KRS number: 0000875978 (hereinafter referred to as the "the Controller"). The Controller can be reached through the contact form on the www.dpdgroupitsolutions.pl website or by sending an e-mail to: digitspl.privacy@dpdgroup.com as well as by traditional mail, at the address of the Controller's registered office indicated above.

2. Data Protection Officer

The Controller has appointed a person responsible for the protection of personal data, i.e. the Data Protection Officer, who can be contacted via the digitspl.privacy@dpdgroup.com e-mail address or via traditional mail at the address of the Controller's registered office indicated above with the note "To the Data Protection Officer".

3. Purpose and grounds for processing personal data

Your personal data are processed in connection with the introduced video surveillance in order to pursue the legitimate interest of the Controller (Article 6(1)(f) of the GDPR), which is in particular:

1. ensuring safety, including the protection of persons staying in the area covered by monitoring and the protection of property,
2. possible establishment, investigation or defence against claims.

Your personal data are processed in order to ensure security on the premises of the facility and to protect the Controller's property – the legal basis for the processing is the necessity of processing to pursue the legitimate interest of the Controller (Article 6(1)(f) of the GDPR).

The following areas are covered by video surveillance: entrance to the headquarters, corridors and communication routes. Images from surveillance cameras are recorded without sound recording.

4. Recipients of personal data

The recipients of your personal data may only be entities and bodies authorized to receive your personal data on the basis of generally applicable provisions of law. Your data will not be transferred outside the European Economic Area.

5. Data retention period

The Controller processes the recordings from the image only for the purposes for which they were collected and stores them for a period not exceeding 3 months from the date of recording. In the event that in which the video recordings constitute evidence in proceedings conducted on the basis of the law or the Controller has become aware that they may constitute evidence in the proceedings, the deadline referred to above is extended until the final conclusion of the proceedings.

After the expiry of the period referred to above, the acquisition of video recordings containing personal data as a result of monitoring shall be subject to destruction, unless separate regulations provide otherwise.

6. Rights of data subjects

In accordance with the GDPR, you have the right to: access your data, rectify it, delete it, limit processing, transfer data, object to data processing, as well as the right to lodge a complaint with the President of the Office for Personal Data Protection.

You are entitled to these rights in the cases and to the extent provided for by generally applicable law.

7. Information on the requirement to provide data

Providing your data is voluntary, but necessary to stay in the facility covered by video surveillance.

8. Information on automated decision-making, including profiling

Your personal data is not subject to automated decision-making, including profiling
